Dear Rakesh,

Further to your enquiry for LSIFO at Cape Town, we have finally been advised by the supplier that unfortunately, there are still on going negotiations between the authorities and the trucking companies regarding the delivery of LSIFO.

They are at this time unsure of when LSIFO will be resumed again in the port of Cape Town, as it can only be supplied by truck.

We do apologies for the poor outcome but it is unfortunately out of our control.

With kind regards,
Shirley Zebert
